THOMAS WILLOUGHBY

b after 1600 to be underage
and an apprentice in 1620

1620 - Apprenticed to
THOMAS WILLOUGHBY of
the SKINNERS COMPANY. (Was
this Thomas of the Skinners
Company his uncle?)

This Thomas is about
the same age of Capt. Thomas
Willoughby of Lower Norfolk
County, va.

THOMAS WILLOUGHBY, 2nd of the name & 5th Son

b d
Was he CAPT. THOMAS W., Gent., late of Bore Place,
Kent whose son Thomas was the apprentice?

b Buried 16 Mar 1648/9 in
the Parish of St. Michaels,
Barbados (Per.Reg.1P3)

Sep 1649 - Adm. of Thomas willoughby decd. to
Edward Willoughby, the son of Thomas Willoughby
late of Southwark (London, England) but in the
Island of Barbados, deceased. Elizabeth Willoughby
the relict. (Caribbeana 5 p 84)

=
ELIZABETH (was she a Middleton?)

b d
1647 - CAPT. MIDDLETON, Master of the ship "Nonesuch"
arrived at Antiqua which gave the name to Nonesuch
Harbor, where he anchored. This was one of three
vessels fitted out from England by COL. THOMAS
MODDIFORD who had intended settling there, but having
been driven by bad weather to Barbadoes, he purchased
an estate there. (Hits. of Antiqua 1 p xx)

1659 Rec. 18 Jan 1660 - in Norfolk Co., Va.:

THOMAS WILLOUGHBY, of ye Barbados, Marriner,
Agent & Factor in principal unto THOMAS MODYFORD
& Company appointing THOMAS WILLOUGHBY (this is
Capt. W's son T. W. II) of Virginia, Gent., his true
and lawful attorney. (THOMAS MODYFORD died Sep 1679,
and had been married 29 years in 1668, so born ca
1599, which would make him about the same age of
CAPT. THOMAS WILLOUGHBY OF VIRGINIA. His tomb
is in Jamaica. (Jam 1125)

Apr. 1657 - THOMAS WILLOUGHBY, decd Entered 19 Aug 1665
Administration to THOMAS MIDDLETON, ESQ., nephew of
THOMAS WILLOUGHBY late of Virginia, but in Alhalowes
Barking, London, England to the use of THOMAS &
ELIZABETH, the children now beyond the sea.

A THOMAS WILLOUGHBY of Barbados, BWI = = Elizabeth
He was buried in 1648/9, Mar. in the Parish of St. Michaels, Barbados.
He left a son EDWARD, administrator of his estate and the relict Elizabeth.

If this Elizabeth, the relict, was a Middleton we may now have the mother and father of Captain Thomas Willoughby d. 1657, or did his sister marry a Middleton?

However - no such connection has been proved:

CAPT: THOMAS WILLOUGHBY (named his only daughter Elizabeth)
b ca 1601 = said to be 23 years old in 1624
d before Apr 1657 in Alhalowes, Barking, England.

1610 came to Virginia in the Ship "Prosperous"

1627* aged 27 "of Rochester, England" - he was returning to Virginia from England. (Lower Norfolk County records do not start until 1637 so cannot be checked for a local record of this)

1644-1647 MERCHANT of RED LYON ALLEY, St. Botolph, Algate, London, England.

His wife may have been: ALICE - could she have been ALICE LAYTON, daughter of JOHN LAYTON and ANN BURRAS, maid servant to Mistress Forrest? JOHN & ANN BURRAS LAYTON were the first English marriage on American soil. They were married in 1608 in Virginia.

CAPT: WILLOUGHBY died before Apr. 1657 leaving an estate in Barbadoes. His nephew, THOMAS MIDDLETON, Esquire was made administrator of his estate for the use of the children THOMAS & ELIZABETH "beyond the seas". (NOTE: Nieces and nephews were often recorded as cousins in the early records.)

CAPT: WILLOUGHBY's son THOMAS was made administrator of his father's estate in Lower Norfolk County, Virginia in 1658. His father having deceased in England. This son was born in 1632 which gives a clue to the possible marriage date of his father. ELIZABETH, the daughter, may have been the eldest as she married before her brother which may mean that the father married before or by 1628-1630.

CAPT: WILLOUGHBY is not on the list of Commissioners of Justices appointed by Sir Wm. Berkeley, however, each time he returned to Virginia he immediately presided as Justice at each Court and was a Burgess for most of the time that he spent in Virginia. He was in England in 1627* and many times thereafter. Out of an 18 year period he spent 12 years out of the Colony and much of the time was in England, and probably in Barbados.

CAPT: THOMAS WILLOUGHBY of BARBADOS = = ELIZABETH
(was she a Middleton?)

b

d buried 16 Mar 1648/9 Parish of St. Michaels, Barbados (Par. Reg 1 p 3)

Sep 1649 - Administration of THOMAS WILLOUGHBY dec'd to Edward WILLOUGHBY, the son of THOMAS WILLOUGHBY late of Southwark (London, England) but in the Island of BARBADOS, deceased. ELIZABETH WILLOUGHBY the relict.
(Cariboeana 5 p84)

There was no WILLOUGHBY included among the 1638 list of Landed Proprietors in Barbados. (Hutchinson)

If this Elizabeth Willoughby was a Middleton we have the father & mother of Thomas Willoughby of Virginia.

If this Thomas is a brother of Sir Percival Willoughby, who did come to Virginia, then it would bear out the many publications that have thought that Thomas I of Virginia was the nephew of Sir Percival.

CAPT. THOMAS WILLOUGHBY ESQ of Virginia was absent in Virginia from Dec 1646 to Jun 1649

(NOTE: Were Capt. Thomas Willoughby of Barbados and his relict Elizabeth the mother and father of Capt. Thomas Willoughby of Barbados, Virginia and Alhalowes, Barking, England deceased in 1657. This Capt. T. W. named his two children Thomas and Elizabeth.

ye BARBADOS. Agent & Factor in Principal unto THOMAS
MODYFORD & COMPANY have made &c....appointed THOMAS
WILLOUGHBY, Gent., of Virginia to be my true and lawful
Attorney. (D 285 Nco)

LINE C - ISSUE OF WILLIAM WILLOUGHBY
FRANCIS WILLOUGHBY
settled at Charlestown Mass
22 Aug 1638. Selectman 1640-1647
The rest of this family in Mass.
down to Charles Clarke Willoughby
of Watertown, Mass. who married in
1683 and had issue.

When CROMWELL died COLONEL THOMAS MODYFORD was appointed Governor
of Barbados on 16 Jul 1660. His term of office was short as the
restoration of Chas. II produced a change in Government that same
year, 1660. Afterwards, SIR THOMAS MODYFORD removed with his
property to Jamaica where he introduced the cultivation of sugar.
He succeeded COL. LYNCH as Governor of Jamaica.(Hutchinson-Schan p280.)

DID CAPT. THOMAS WILLOUGHBY have a sister who may have
married THOMAS MIDDLETON and had a son THOMAS MIDDLETON?
This would account for the nephew, Thomas Middleton.

EDWARD WILLOUGHBY Adm. of his father's estate in Barbados

He appointed EDWARD PYE & CONSTANT SYLVESTER to be his lawful attorneys in Barbados.

Perhaps his many trips out of the Colony of Virginia included stays in Barbados.)

The Land was near the North side of St. Michael's Towne. (St. Michael's Towne is now known as Bridgetown and is the Capital of Barbados.)

The above Deed may possibly belong to the THOMAS MIDDLETON, younger than this one for there are other deeds which were signed after this Thomas' death, in 1672/3.

THOMAS MIDDLETON

These deeds in which THOMAS MIDDLETON as Marshall sold land seem to be dated a little late for his will was Entered 15 Mar 1672/3.

Thomas Willoughby I

Ensigne THOMAS WILLOUGHBY apparently left shortly after December 1625 for he is returning to the Colony of Virginia from England in the following item:

1627 - There is in Sainsbury's Calendar of Colonial State Papers (vol 1) a certificate dated 1627 by THOMAS WILLOUGHBY, of Rochester, aged 27 years (the right age) in regard to a ship in which he was about to go to Virginia. There can hardly be any doubt that he was the planter, returning from a visit home. (V 1p448)

4 Mar 1629/9 Court held at James City (MCGC 190)

LEIFT: WILLOUGHBY to be Commaunder under him at MARIES MOUNT (South shore of James River near mouth of Nanzemund River NU 17) and so downwards to CAPTAIN TUCKERS plantacon.

9 Apr 1629 - Peticon of LEIFT: THOMAS WILLOUGHBY for restoring part of the Parish. (MCGC196)

16 Oct 1629/30 - Burgess for Upper Elizabeth City Co. (1H139)

1629-1630 - Burgess for Upper Elizabeth City Co. (1H149)

21 Feb 1631/2 - Burgess for " " " & Waters Creek(1H154)

1631-1632 - Burgess for " " " " " (1H154)

1631 - THOMAS WILLOUGHBY to view the place where a fort was to be built at Poynt Comfort. Built by CAPT: SAMUEL MATHEWS. (1H150)

Sep 1632 - THOMAS WILLOUGHBY Burgess, elected a Member of the Councill for Upper part of Elizabeth City Co. (1H179)

1632 - Burgess of the Upper Parish of Elizabeth City (JH8xii)

1637 - was the year that Lower Norfolk County was divided from Elizabeth City County. THOMAS WILLOUGHBY seems to disappear from the records at this time which may indicate another trip to England. Inasmuch as he had 100 acres of land in the Lower Norfolk County area in May of 1625 it seems logical to think that his "now dwelling house" in the 1635 patent was built between these two dates, even finished by 1632.

Thomas Willoughby I

19 Nov 1635 - CAPT: THOMAS WILLOUGHBY Patent for 300 acres adjacent land now in his possession (100 acres in 1625) N upon the maine river (James River), Sly into the woods & E upon his now dwelling howse. For transportation of 6 persons: JOHN DRAPER, GILES COLLINS, THEOD: LOYD, JON: SCOT, WM: PALMER, WALTER HOWELL. Note: Renewed in his name 19 Mar 1643. Test SAM: ABBOTT, Clr: (NU34 & Pat Bk 1 Pt 1 p311)

19 Nov 1635 - CAPT: THOMAS WILLOUGHBY Patent for 300 acres Elizabeth City Co. Upon the "hither" Creek between FRANCIS MASON & his own land, S upon the woods, W upon the Creek, N upon land formerly taken up by him. For transportation of 6 persons: JON: PINCHES, HOWELL HAYWARD, JON: DAVID, WEYMOUTH VENSEY, JON: WOOD, RICH: JACKSON. Note renewed 19 Mar 1643 in his name. SAMLL: ABBOT, Cl: (NU34 & Pat Sk 1 Pt 1 p312)

These two patents were at what became Willoughby Spit, and with the 1625 patent of 100 acres total 700 acres as his holdings there in 1635.

19 Nov 1635 - CAPT: THOMAS WILLOUGHBY Patent for 300 acres in Elizabeth River, being 2 or 3 small necks of land, W upon a Branch of Elizabeth River, SE upon the maine land & N upon the Sly branch of Elizabeth River. Transportation of 6 persons: TYMOTHY BARLOE, NICH: FORTESCUE, JON: FARROW, MARY WORMEWELL, ROBT: BARKWITH, DEMIS (or Dennis) REEVE. (NU34 & Pat Bk 1 Pt 1 p312)

This last patent would seem to be on the Eastern side of the Southern Branch of Elizabeth River to be bounded on the North by the Southern Branch and Westerly on a branch (Southern?) of Elizabeth River.

The only way this land could possibly be on two different branches of Elizabeth River is: Bounded on the West by Scotts Creek, SE upon the main land, & N upon the mouth of the Southern Branch where it flows into the Eastern Branch. The latter places it at or near Hospital Point. Inasmuch as WILLIAM TUCKER previously assigned land to THOMAS WILLOUGHBY seems to indicate a fairly close relationship between the two men. Hospital Point having previously been called Tuckers Point may have some significance.

The 1625 patent of 200 acres and the 50 acres assigned to him in 1628 by WILLIAM TUCKER total 250 acres in the Upper Part of Elizabeth City (on the North side of the James River) MILES PRICKETT was granted 150 acres there in 1625 "already planted" (4VC558). In the assignment to Thomas by William Tucker in 1628 Miles Prickett's patent is "now in the tenure of Thomas Willoughby". Were his total land holdings in this area 250 acres or 400 acres?

Who was PEETER WILLOUGHBY a headright in the patent 22 Jun 1635 to CAPT: WILLIAM PEIRCE ESQR (one of the Councill of State) in Lawnes Creek (James City County)? Among the headrights in this patent were ALICE LAWSON, a Norfolk County name, and THOMAS ROLFE who could have been the son of Pocahontas. Thomas Rolfe was born 1615 and came to Virginia at about the age of 20 or 25 years.

Thomas Willoughby I

13 Feb 1636 - CAPT: THOMAS WILLOUGHBY Patent for 100 acres at "Musketo Point", E upon the second Eastern Branch of Elizabeth River, W. upon Warwicksquike, S upon the Southern Branch & N upon James River (Glebe Creek?) for the transportation of 2 persons: THOMAS PRICE & WILLIAM KELRIDGE. (Note: this must be what later became the Glebe Land near Norfolk Town) (NU54 & Pat Bk 1 pt 1 p410)

(Note: If you will look at one of the very early maps the land to the South of Glebe Creek did face the Southern Branch to the South and the Warwicksquike Indians were across to the West in what became Nansemond County.) Hospital Point extended out into the river 1000 feet longer than it now shows on more recent maps, thus extending the mouth of the Southern Branch directly below the Glebe Land, and to the West of the Eastern Branch's mouth.)

13 Feb 1636 - CAPT: THOMAS WILLOUGHBY Patent for 200 acres upon the maine of Elizabeth River (Town Point), N upon James River (Glebe Creek?), S upon the first Easterne Branch of Elizabeth River & E N E into the woods. (This is the site of the future Norfolk Town 50 acs, plus 150 acs. North of it which was bounded on the West by "Dun in the Mire" Creek, later known as Newton's Creek) For the Transportation of 4 persons: JON: ARROE, PHILLIPP STEPHENS, JON: BEADLE, ANN DAWSON. Renewed by Sir William Berkeley 1 Apr 1644 in the name of JOHN WATKINS. Test: SAMLL: ABBOTT, Cl. (NU54 & Pat Bk 1 pt 1 p411)

(Note: The Glebe Land is given as a boundary in the Patent to ABRAHAM ELLETT (Elliott) the 25 Mar 1664. The Northern boundary of his patent was the land of WILLIAM SHIP 2 miles in length Nwd & Swd in 1654 (Nco D 348) (3N33) (LNo A 344) (A 12).) The Chapel of Ease of Elizabeth River Parish completed in 1641 must have been in the area of William Shipp's land, and probably on the Glebe Land. (see Mason 158)

28 Feb 1636 - CAPT: THOMAS WILLOUGHBY Patent for 300 acs. upon the S. Branch of Elizabeth River beginning with the Ware Neck. Head rights are not given. Due for the transportation of 6 persons. (This is most probably a renewal of the 19 Nov 1635 patent in the Southern Branch) (NU 119)

In May 1638 THOMAS LAMBERT had a Patent for 200 acres Lower Norfolk County, being a ridge of Land lying up a Creek called "Dum out of the Mire" coming between the land of CAPT: THOMAS WILLOUGHBY & JOHN GATER. (NU 84)

In May 1638 THOMAS TODD had a Patent for 250 acres Lower Norfolk County, being a neck of land lying up the back creek called Little Creek between the plantations of CAPT. ADAM THORNGOOD & CAPT: THOMAS WILLOUGHBY, about a mile up the creek on the W side, NEly above an Indian Field about the space of a mile, said field having a fresh water pond joyning unto it. (NU 92)

1: Glebe Creek was previously called Ellets Creek and in 1636 James Creek.

Thomas Willoughby I

In the 18 years from the beginning of the Lower Norfolk County Records
to May of 1655 we can be fairly sure of the length of Capt. Willoughby's
trips to England and probably Barbados, for he left an estate in Barbados.

In those 18 years he was "out of the Colony" for about 12 years, 6
months was spent in Maryland in 1646. His longest visit home to Virginia
was less than two years in 1647 - 1648.

ALICE WILLOUGHBY - In a patent to CAPTAIN THOMAS WILLOUGHBY 21 Sep 1654 (Nco.C 98), 7 Oct 1654 (NU 302), the headrights listed included: ALICE, THOMAS and ELIZABETH WILLOUGHBY.

His family had obviously been in England with him on one of his many trips out of the Colony of Virginia. The son THOMAS WILLOUGHBY II was in Virginia between the dates of October 1649 to 21 Sep 1654 during one period when his father was "out of the Colony".

This same patent states: "2900 acres in Lynnhaven Parish including 1500 acres for which he has a patent, 19 Mar 1643/4. The records for the Courts between December 1643 and February 1644/5 are missing from the Norfolk County Record Books, however, there is no indication of Capt. Willoughbys presence in the Colony during that period, and he is absent at the April Court. He is present and presiding at the 15 May 1645 Court. Did the whole family accompany young Thomas when he entered Merchant Taylors School in London, England in 1644?

In searching the records for an Alice who could possibly be the wife of Capt. Thomas Willoughby the following has been found:

ALICE LAWSON, THO: ROLFE (son of Pocahontas), WILLIAM THOMPSON (brother-in-law of Capt. Wm. Tucker), PEETER WILLOUGHBY (a relation of the Capt.?) and others were headrights in the patent to CAPT. Wm: PIERCE 22 Jun 1635 in Lawnes Creek, Surry County. (NU 29)
You will find that Alice Lawson is the wife of CHRISTOPHER LAWSON in 1624 in James City County. (OQ 232)

JOHN LAYDON (LEYDEN) = soon after the Fall of 1608= ANN BURRAS
b ca 1580 (NU xxviii & Cooke 45) (Mrs. Forrests mayd)

Came in the Susan Constant Apr 1607 - She came in the 2nd Supply in the Mary Margaret in 1608.

They were among the living in Virginia 16 Feb 1623 at Basse's Choice (now Isle of Wight County), and had the following issue:

VIRGINIA LAYDON b. between 1608 - 1623

ALICE LAYDON DID SHE MARRY = between 1623/4-1631 = CAPT. THOS: WILLOUGHBY?
b between 1608 - 1623/4 b 1601
b possibly 1610-12 d 1657

THOMAS WILLOUGHBY II was born 1632.

KATHRYN LAYDON b. between 1608 & 1623
MARGARET LAYDON b. " 1608 & 1623

Among the living 16 Feb 1623 at Basses's Choice were CAPT. WILLIAM TUCKER and THOMAS WILLOUGHBY.

In 1625 CAPT. WILLIAM TUCKER & CAPT THOMAS WILLOUGHBY had patents of land "within the mouth of Pamunkey River (now York River),"and Willoughby's patent became known as Willoughby's Point about 1635. (4 VC557,558 &NU21)

Alice Willoughby

In 1628 he was living near Blunt Point, and between 1635 and 1638 there are several patents to JOHN LAYTON situated between Blunt Point and Warwick River on the north side of James River and directly below Willoughby Point. Some of his neighbors were: CAPT: THOMAS PURIFIE, JOHN POWELL, JOHN STRATTON, JONATHAN WAKE (Thomas Willoughby was administrator of Dr. Richard Wake's estate in 1646), WIDOW THOMPSON (Wm. Thompson was the bro-in-law of Capt. Wm. Tucker), THOMAS SEWALL (was he a relative of Henry of Norfolk County?), GEORGE HULL (or Hall) et als. These surnames will be familiar to anyone who has ever searched the Norfolk County records.

Was Alice Layton the wife of Captain Thomas Willoughby? His wife was not in his muster in 1623/4 indicating that the marriage would have been after that time. She was probably not 16 years old until about 1628, when Capt. Thomas would have been 27. He returned from a trip to England in 1627 which may mean that he was married after that date. He then stayed in Virginia until 1632 at which time he again disappears until 1635.

II Generation - ELIZABETH WILLOUGHBY dau of Capt. Thomas Willoughby I

ELIZABETH WILLOUGHBY

b ca 1630 - 1634 (she married before her brother, Thomas, and may have been the first born)

The name of Elizabeth makes one wonder if Capt. Thomas Willoughby I of Virginia was a son of the Capt. Thomas Willoughby of Barbados who was buried in the Parish of St. Martins, Barbados in Mar 1648/9 leaving a relict, Elizabeth, and a son Edward who administered on his estate in Sep 1649. Thomas Willoughby of Barbados, according to his administration, was of Southwark, London, England.

If he was a brother of Sir Percival Willoughby, a member of the Virginia Company of London who came to Virginia, then the line would tie in with what has been assumed in former publications: "that Capt. Thomas Willoughby of Virginia was a nephew of Sir Percival Willoughby".

One can also speculate on the fact that Capt. Thomas Willoughby of Virginia was out of the Colony from Dec 1648 until Jun 1649. Did he go to Barbados because of the illness of his father? Capt. Thomas of Va. left an estate in Barbados when he died in 1657 which was administered by his nephew, THOMAS MIDLETON, ESQUIRE.

ELIZABETH WILLOUGHBY was living in Lower Norfolk County in 1672
d.

In 1636 an ELIZABETH WILLOUGHBY was transported to Accomac County, Va. by John Bell. (John Bell was later, 1653, transported to Lower Norfolk County by Thomas Willoughby II) Could this Elizabeth be the grandmother coming from Barbados to see her granddaughter and namesake?
(Ncc C 44 & 18 Vab55)

In 1654 an ELIZABETH WILLOUGHBY is transported to Lower Norfolk County by CAPT: THOMAS WILLOUGHBY, as also, ALICE WILLOUGHBY (the mother?) and THOMAS WILLOUGHBY.
(Nco C 98 & Nu 302)

SARAH THOROWGOOD, daughter of CAPT. ADAM THOROWGOOD & his wife SARAH (OFFLEY), married SIMON OVERZEE and died in childbed and was buried 9 Oct 1658. Overzees interest in the estate of MRS. (OFFLEY-THOROWGOOD-GOOKIN) YARDLEY was recognized by the Court 17 Jan 1658/9.
(Nco D 186)

ELIZABETH WILLOUGHBY = (1) ca 1659 as his 2nd wife = SIMON OVERZEE of Maryland, New England and Lower Norfolk County, Virginia, Merchant.

15 Aug 1660 - Administration granted to ELIZABETH OVERZEE on her husbands estate, MR. SIMON OVERZEE, at the request of MR. THOMAS WILLOUGHBY.
(Nco D 261)

She married = (2) bef 1 Mar 1660/1 = MAJOR GEORGE COLCOUGH
of Northumberland Co., Virginia.
He was the son of her brother's mother-in-laws' 3rd husband.

8 Sept 1662 - MRS. ELIZABETH COLCOUGH, widow of MAJOR GEORGE COLCOUGH to administer his estate in Northumberland County, Va. (19 Vab 25)

30 --- 1664 - ELIZABETH COLCOUGH, widow of MAJOR GEORGE COLCOUGH had married = (3) betw 1662 - 1664 = ISAAC ALLERTON (19 Vab 25)

20 Feb 1663 - THOMAS WILLOUGHBY (II) & SARAH, his wife, gave power of attorney to "our loving brother ISAAC ALDERTON". (19 Vab 2)

Isaac Allerton was the son of Elizabeth's brother, Thomas', mother-in-law's 4th husband. He was of Westmoreland County, Virginia.

ELIZABETH(WILLOUGHBY, OVERZEE, COLCOUGH)& ISAAC ALLERTON had issue:

WILLOUGHBY ALLERTON b after 1664
MARY ALLERTON b after 1664
SARAH ALLERTON b after 1664

The following items may be of interest because of the multiple marriages of URSULA BISSHE, mother-in-law of Elizabeth's brother THOMAS WILLOUGHBY:

20 Sep 1652 - GEORGE COLCOUGH - certificate for 100 acres of land in Northumberland County, Virginia (2 Vab 7)

20 Aug 1655 - a deposition by RICHARD WRIGHT, 22 years, (which is mutilated) "they were drinking half a day just before the will was made" (This is either George Colcough's will or one he was writing for Mottrom, the second husband of Ursula Bisshe Thompson) (2 Vab 129)

25 Mar 1649 - MRS. URSULA THOMPSON of Kiquohton widdo of RICHD THOMPSON gent, gives cattle to her children. To son RICHARD (under 21). To daus SARAH & ELIZABETH THOMPSON. (20 Vab 83)

(Note: In reading the above record it should be noted that Capt.
Thomas Willoughby was "out of the Colony" from Nov 1649 until Nov 1653.
He has apparently left a will with Samuel Mathews appointing his son,
Thomas Willoughby Jr. his executor at the age of 21 years. He has
also given his son power to act for him unless his power be counterman-
ded by the Commissioners or himself, for the records will show that
he is acting as attorney for his father during his absence, even though
only 17 years +. I cannot help but believe that this is putting a
limitation on just how far young Thomas can go in acting as attorney.)

THOMAS WILLOUGHBY, gent., was the only son of ENSIGN THOMAS WILLOUGHBY and was born 25 Dec 1632, and educated at the MERCHANT TAYLOR'S SCHOOL London. (Critic, 18 Jan 1889)

The father, ENSIGN THOMAS WILLOUGHBY, MERCHANT, came out in the Prosperouse in 1610, and was 23 years of age in 1624-5 (Hotten p 248)

He is thought by Mr. E. E. Salisbury (Critic op. cit.) to have been perhaps the son of THOMAS WILLOUGHBY of WATERINGHAM, Kent, and the grandson of THOMAS WILLOUGHBY of DRAW ROCHESTER (probably should be DEAN OF ROCHESTER)*

A THOMAS WILLOUGHBY of ROCHESTER, aged 27, was a passenger, 6 Jul 1626 on the ship Peter and John for Virginia, and, as he is spoken of as an old settler returning to the Colony, we cannot doubt that he was the emigrant of sixteen years before. (Virginia Carolorum p 46) (Salisbury's Calendar of Va. State Papers) He was a prominent man in the Colony, a Member of the Council and a large landholder.

*On reference to my friend Mr. Leland L. Duncan of Lewisham, a gentleman thoroughly conversant with Kentish topography and genealogy, he assures me that there is not and has never been, such a place as DRAW ROCHESTER and suggests the probability that this has been a clerical or typesetter's error in the Critic for DEAN OF ROCHESTER, and calls my attention to the following pedigree, from the Visitations of 1619 in the ARCHIOLOGIA CAMBIANA, and which is repeated in BERRY'S KENT GENEALOGIES (p9)-

(Note: by AGW: If CAPTAIN THOMAS WILLOUGHBY of Virginia is of this family he would have to be the great-grand-son of the Dean of Rochester NOT his grandson for CAPT. THOMAS was very much alive in Virginia in 1654 and was not deceased until ca. 1658 when his son Thomas was granted administration of his estate in Virginia.)(CAPT. THOMAS WILLOUGHBY died in ENGLAND.)

A very hasty search of the Calendars of the Prerogative Court of Canterbury gave me three wills of the THOMAS WILLOUGHBYS, which follow, and of which the first is certainly that of the Dean in question whose name heads the pedigree, and the putative grandfather of the emigrant; the second is perhaps his son THOMAS who married JOANNA FREMLING (CHIDINGTON & WATRINGSBURY are only a few miles apart in the southwestern part of the County) He names only 4 children, but possibly the two younger daughters predeceased their father; the third will seems, however, beyond a doubt to be that of the grandson of the Dean, as given in the pedigree, but its superficial nature, as a nuncupative will, forbids any certainty as to whether or not it is the Virginian returning from his voyage of ten years before, to his native land to die. The "else where" of the will may, or may not, refer to his possessions in Virginia. The whole question is a most interesting one, and will probably be capable of final solution.

Is this fine imposed exactly one year later for his 1654 presentment, or is this another indiscretion on his part? Capt. Willoughby had again left the Colony in May of 1655. (AGW)

17 Nov 1656 - Is the last time THOMAS WILLOUGHBY JUNR: is in Court, when his father's cases are given a reference until Feb Court 1657/8 "supposing then his father will bee in ye Country" (Nco D 25a)

Is this when THOMAS WILLOUGHBY JUNR: went to Northumberland County Virginia and met and married SARAH THOMPSON? (AGW)

Your orators shew that THOMAS one of the devisees in the will died under age in the lifetime of his father JOHN THOROWGOOD, and that PEMMY, enother devisee, died under age sometime since the decease of her said father, and that MARY SANFORD THOROWGOOD another devisee, lately departed this life, since the decease of her said father, after she had attained the age of 21 years, and consequently was entitled to one fifth share of distributive part of the aforesaid slaves. The said MARY died intestate and was never married.

Your orators state that they, in right of their wives, and the aforesaid NANCY WALKE an infant in her own right are entitled to that part of distributive share of the slaves that the said MARY SANFORD THOROWGOOD deceased was entitled to, as your orators' said wives and the said NANCY WALKE are heirs and next of kin of the whole blood to the said MARY SANFORD THOROWGOOD deceased.

Your orators further shew that they have applied in a friendly manner to the said MARY ANNE PHRIPP, ex's as aforesaid, and to the said MARGARET THOROWGOOD now of age and JOHN THOROWGOOD, infant under age, whom your orators pray may be made defendants to this bill of complaint, etc..... Three seperate bills in Chancery were introduced, the defendants having asked for abatements because of the marriage of one or more of the plaintiffs FANNY, PEGGIE, & NANCY WALKE are infants. The final summons 14 Jul 1772 shows that FANNY = WRIGHT WESTCOTT, PEGGY is + JOHN CALVERT & NANCY is = to JOHN WILLOUGHBY JUNR

13 Aug 1773 the deft. Mary Anne Phripp ex'x of the last will of Capt. John Thorowgood decd and Margaret & John Thorowgood his children made a sworn answer, raising no objection to the partition. This answer refers to NANCY the wife of John Willoughby as "an infant by the said John her next friend" The last of the 3 bills refers to defendant JOHN THOROWGOOD as "then an infant but now of full age"

- 19 Nov 1698 - Thomas Willoughby's deed to Cozen (1/2 nephew) John Herbert Selling land that was supposed to be given (undated) dated 15 Jan 1669 (this date is date of John Herbert I's will) 608144
- (The above two deeds, although badly mutilated, show that there was some default in the division of the land and John and Thomas are re-establishing their property lines. The deeds are also further proof that Thomas Willoughby is the son of Mary Herbert, relict of John Herbert I.)
