## Timeline

1820 abt	<b>Birth</b> <a href="#">Jackson Co., Tennessee</a> Difficult to pinpoint exact year as age listed in census records varies. Wish the census recorders had taken more care!
1840 1 Jun Age: 20	<b>Residence</b> <a href="#">Jackson Co, Tennessee, United States</a> Tally mark in the 'Age 20 & Under 30' Column.
1840 abt Age: 20	<b>Marriage to Jane Jones</b> <a href="#">Jackson Co, Tennessee</a>
1850 2 Nov Age: 30	<b>Residence</b> <a href="#">District 14, Jackson Co., Tennessee</a> Listed as Age 31. A Miriam Jones (erroneously named Miram James) is listed with Isaac & Jane. I've plugged her in as Jane's mother for search purposes...she is 49 in 1850 so certainly old enough to be Jane's mom.
1860 11 Jun Age: 40	<b>Residence</b> <a href="#">Granville, District 15, Jackson, Tennessee</a> Census Age: 40. Miriam Jones is present again and listed as age 65. I looked at her age on the census and the 5 could possibly be a zero thus making her 60 which corresponds to her age in the 1850 census. Also, Isaac and Jane named their daughter Miriam.
1862 7 Jun Age: 42	<b>Property</b> <a href="#">District 15, Jackson Co., Tennessee, USA</a> Owns 100 acres. *See attached IRS Assessment source.
1870 30 Aug Age: 50	<b>Residence</b> <a href="#">Granville, District 15, Jackson, Tennessee</a> Listed as age 45 in Census.
1880 11 Jun	<b>Residence</b> <a href="#">District 5, Jackson, Tennessee, United States</a> Listed as age 66 in Census. Married to Jane, age 62. In District 5 now and was previously in either District 15 or 14. Was the county re-zoned again?
1880 Jun Age: 60	<b>Death</b> <a href="#">Jackson Co., Tennessee</a>
